## Math Summer Homework Assignment for Incoming 7<sup>th</sup> Grade Students

\*Students must complete assigned tasks below by the first day of school on Monday, August 22nd, 2016.

### ***IXL Review Topics: REQUIRED FOR ALL INCOMING 7<sup>TH</sup> GRADE STUDENTS***

- Students must get a smart score of **AT LEAST 80** on the IXL topics listed below.
- Topics were selected to prevent summer slide as well as to help students see where their skill gaps might be. If you struggle to complete a topic (it takes you more than a couple of days or you can't get your smart score above 50), that is a sign that you need extra help on that topic. Please reach out to Mr. Peterson or Mr. English by email if you have questions.

<b>Fractions and Mixed Numbers</b>	<b>Decimals</b>	<b>Operations with Fractions</b>	<b>Translating Equations</b>

<input type="checkbox"/> <b>F.7</b>		<input type="checkbox"/> <b>G.12</b>	

The above assignments are all through [www.IXL.com](http://www.IXL.com). If you are a new-to-Skinner 7<sup>th</sup> grader and do not yet have an account, please e-mail with your full name and lunch number to get your username and password for the program.

We look forward to having many of you in our classes next year! Be prepared to work hard! If you need more math activities to challenge you over the summer, let us know!
