WHAT MAKES SKINNER RIGHT FOR YOUR STUDENT

SUPPORTING STUDENTS

- A family-oriented culture of high academic and behavior expectations, caring, respect and fun!
- Outstanding school leadership and committed, involved, caring teachers
- 1-to-1 Technology School – every student receives their own Chromebook for use at school and at home
- Learning Families provide peer support and intentional adult mentoring
- Weekly progress reports means constant communication with parents and student accountability
- An environment and structures fostering academic success
- Comprehensive Special Education programs
- Flexible dress code keeps Skinner Scholars' focus on academics
- Exceptional resources for nurturing students' Social/Emotional needs

ACADEMICALLY SPEAKING

- Our scholars showed outstanding growth in 2018 CMAS tests. Gains in all 3 grade levels in all subject areas. Skinner beat the DPS average in both meeting/ exceeding expectations and growth in every category
- Honors course options for all grades and core subjects
- Daily reading intervention as needed
- City Year support means additional adult in most core classes
- Teachers' Office Hours 3 days/week for extra help after school
- Huge, light-filled library staffed by a full-time librarian
- Comprehensive Spanish-language programming - 2 full-time teachers
- Customized learning plans and hand built schedules
- Monthly grade-level meetings with academic and attendance awards and Celebrations like ice cream socials, dances and roller skating

WHOLE CHILD EDUCATION
